FOR IMMEDIATE RELEASE

Registration opens for free kids camp hosted by the Bureau of Statistics & Plans

The Bureau of Statistics and Plans (BSP) Guam Coastal Management Program (GCMP) is pleased to announce open registration for the Kika Clearwater Camp beginning Monday, June 4, 2018 and closing Monday, June 11, 2018.

Two sessions of Kika Clearwater Camp are open to students in the 3rd through 7th grades free of charge. Space, however is limited and spots will be given on a first-come-first-serve basis. Students can only enroll in one of the two four-day session.

Camp sessions run from 8:30 a.m. to 2:30 p.m. on the following weeks:

- Session 1: Monday, June 25, 2018 to Thursday, June 28, 2018
- Session 2: Monday, August 06, 2018 to Thursday, August 09, 2018

Kika Clearwater Kids Camp is a ridge-to-reef experience where students will learn about various watersheds and ecosystems on our island through a variety of hikes and outdoor activities. Kika camp engages students and exposes them to various subjects related to our natural resources such as native and invasive species, pollution, coral reefs, and so much more!

“We want students to experience Guam’s different ecosystems from ridge to reef while they have time during the Summer break. We are excited about offering this opportunity to teach our island’s youth about the environment,” said Carl Dominguez, BSP Director.

Registration packets are available at the GCMP office, located at 777 Rt. 4, Phase II Complex, Suite 105A in Sinajana. Registration ends at 4:30 p.m. Monday, June 11, 2018. For more information please contact Ms. Marilyn Guerrero, Camp Coordinator at 475-9647 or email at marilyn.guerrero@bsp.guam.gov
