Dear Mr. Dominguez,

SUBJECT: FEDERAL COASTAL CONSISTENCY CERTIFICATION FOR NPDES MS4
PERMIT NO. GUS040000

U.S. EPA Region IX issued public notice No. GU-W-16-04 on September 28, 2016. This public notice proposed actions under the Clean Water Act to issue National Pollutant Discharge Elimination System (NPDES) Permit number GUS040000 for the Department of the Navy's Municipal Separate Storm Sewer System (MS4), located on U.S. Naval Base Guam (NBG).

Under Section 307 of the Coastal Zone Management Act (CZMA), activities that are conducted under federal licenses or permits are subject to review by the Government of Guam to ensure consistency with the CZMA. NBG hereby submits the Coastal Consistency Certification (CCC) package for NPDES MS4 Permit GUS040000. This CCC package is submitted in accordance with Section 307 of the CZMA and 15 CFR 930, Subpart D (Consistency for Activities Requiring a Federal License or Permit).

Draft NPDES Permit GUS040000 and its associated factsheet are included as Enclosures 1 and 2. Enclosure 3 contains the Guam Coastal Management Program assessment form and summary of findings.

If you have any questions, my point of contact is Mr. Omar Damian. He may be reached by phone at (671) 333-2583 or email at charles.damian@fe.navy.mil.

Sincerely,
