

Assembly of Planners

Save the Date February 6, 2019 8am – 5pm SYMPOSIUM

The Bureau of Statistics and Plans, Guam Coastal Management Program, in partnership with the National Oceanic and Atmospheric Administration Office for Coastal Management, is pleased to invite you to the 4th Assembly of Planners’ Symposium. The purpose of the symposium is to guide Guam’s future through the advancement of comprehensive planning that works to upgrade the quality of life for Guam’s people. Through broad stakeholder participation, the symposium serves as a tool to share information and improve resource management services, as well as avoid or mitigate the negative effects of development.

Topics for this symposium include:

Permitting improvements through technology and efficiencies through sustaining geospatial technology and agency partnerships.
Growing together: Creating a framework for economic prosperity, healthy ecosystem and strong communities.
Guam Administrative Rules and Regulations: What agencies need to know to make effective rules.
A sense of place: Capturing values, aspirations and benefits of Guam’s natural wonders
Coastal Hazards and Risk Reduction: an insurance industry perspective <i>(Tentative)</i>

Location: Pacific Start Hotel, Tumon Guam. Lunch will be provided. Register [here](#) . Contact Ms. Marilyn Guerrero, GCMP, for registration questions at 475-9647.
