

## **General Overview Description for Guam Coastal Management Program's 2023 Program Change**

GCMP is updating its Program Authorities that it uses to review and make decisions on projects. The proposed changes to Program Authorities includes an authority which is under the principal responsibility of the Chamorro Land Trust Commission. The proposed change under the Chamorro Land Trust Commission is the addition of the Guam Undersea Access for Homes Act (GUAHA), 21 GCA Ch. 75A Art. 2.
