The College's data information access software, known as the Operational Data Store (ODS) within the Banner System, as well as numerous administrative departments, provided the data presented in this Fact Book. In its attempt to present a comprehensive profile of the entire college, the Guam Community College Fact Book represents the best information available at this time.

AY 2010-2011 Fact Book

General Information: Mandate, Vision, Mission, Accreditation

Guam Community College Mandate

Guam Community College (GCC) is a multi-faceted public career and technical educational institution, created by the Community College Act of 1977 (codified @ 17 GCA §§ 30101, *et seq.*) to strengthen and consolidate career and technical education (CTE) on Guam. The College operates secondary and postsecondary CTE programs, adult and continuing education, community education, and short-term specialized training, as dictated by community and industry needs. These programs are delivered both on and off-campus, in satellite programs at Guam's public high schools and on site at businesses as needed. The College also serves as the State Agency for Career and Technical Education under the United States Vocational Education Act of 1946, 1963, and subsequent amendments. The College offers over 50 fields of study, and prepares students for entry-level employment in career and technical fields or transfer to four-year institutions of higher education. The College offers a variety of community service and special programs to prepare students for college experiences including English as a Second Language, Adult Basic Education, General Education Development (GED) Testing Program preparation and testing, and an Adult High School Diploma program.

Vision

GCC will continue to pioneer labor force development within the Western Pacific, best understanding and meeting the educational, career and technical training needs of the economy. It will be Guam's premier career and technical education institution and finest secondary and postsecondary basic educational institution serving the island's adult community. Its excellence will continue to be recognized because of its service to employers, employees and the community at large.

Mission

GCC's mission is to be a leader in career and technical workforce development by providing the highest quality education and job training in Micronesia.

Sinangan Misi3n (Chamorro translation)

I misi3n i Kulehon Kumunidã't Guãhan, guiya i gé'hilo' i fina'che'cho' siha yan i kinahulo' i mamfãfa'che'cho' ya u na'guãguãha nu i manákhilo' yan manmaolek na tiningo' yan fina'nã'guen cho'cho' siha gi iya Maikronisiha.

Accreditation

GCC is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC), Western Association of Schools and Colleges (WASC). It has been continuously accredited since 1979 by ACCJC/WASC. Documents describing the accreditation of the College may be examined at the Academic Vice President's office. The Registrar may also be contacted for further information or to make arrangements to examine the accreditation documents. With the recommendation of the Curriculum Review Board of the American Association of Medical Assistants (AAMAE), GCC's Medical Assisting program has also been accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) since 2003.

General Information: Faculty and Facilities

Faculty and Facilities

The College faculty are well qualified by their education, experience and industry certifications to offer courses and programs of study which achieve the mission of the College. Faculty credentials are found at the back of the Academic Year 2011-2012 Catalog published by the College.

The College is located in the village of Mangilao on a campus over 22 acres in size. Standard classroom facilities are housed in permanent concrete buildings. Metal buildings are used primarily for career and technical education shop facilities.

The Anthony A. Leon Guerrero Allied Health Center opened on December 21, 2009, and was used for the first time in January 2010. The two-story, 22,000 square foot facility houses two lecture halls, a computer lab for nursing students, two science labs, two nursing classrooms, two nursing labs, one administration lab, one clinical lab, one simulated hospital classroom, one conference room, and faculty and staff facilities. The \$4.03 million building was funded in part by the Department of Interior, which paid \$260,000 for the Architectural and Engineering design, \$943,000 for construction, and \$150,000 for science equipment. GCC funded the other \$3 million. The Allied Health Center houses GCC's Pre-Nursing, Practical Nursing and Medical Assisting programs, as well as Science courses with laboratory components.

The newly constructed Learning Resource Center opened on December 10, 2010 and is the first LEED-certified building for the Government of Guam. The total cost of construction for the LRC was \$4.3 million, while furniture and equipment costs were approximately \$900,000. The building was funded through grants from the U.S. Departments of Education, Interior, Energy, and Agriculture, as well as the GCC Foundation Board of Governors, which provided the money for the architectural and engineering design of the building.

A new Student Center, the third new building to be constructed on the GCC campus within a three-year span, is also being constructed adjacent to the Learning Resource Center and is expected to be completed in October 2011. The Center will consist of a two-story, 22,000 square foot facility that will include a plaza and student square, a student lounge, meeting rooms, and energy efficient photovoltaics.

All three of GCC's new buildings were designed by Taniguchi Ruth Makio Architects as part of the College's Physical Master Plan. As of this writing, an update of the Physical Master Plan is underway and projects the growth of the College over a 5-year and 10-year period.

Terms & Acronyms

AA Associate of Arts

ABE Adult Basic Education

Adjunct Part-time faculty

AHS Adult High School

AS Associate of Science

ASE Adult Secondary Education (Adult High School)

AY Academic Year (Fall and Spring semesters)

CERT Certificate

COMPASS A computer-adaptive college placement program that uses test results to quickly evaluate incoming students' skill levels in the areas of Reading, Writing Skills, Writing Essay, and Math.

Completer A student who receives a degree, diploma, certificate, or other formal award. In order to be considered a completer, the degree/award must actually be conferred.

Declared A student pursuing a specific post-secondary certificate or degree.

Enrichment Student A student who does not intend to declare a major or pursue a degree program, but who plans to complete more than 18 credit hours of postsecondary work.

FY Fiscal Year (October 1–September 30)

GED General Education Development (GED) Testing Program

Headcount The count of students enrolled in a given period of time (e.g. semester, annual, etc.). This can be either duplicated or unduplicated counts.

HS High School

Individuals Not Joined Apprenticeship students not sponsored by Guam Contractor's Association, Guam Hotel and Restaurant Association, or the Department of Administration

Journeyworker Certificate Programs approved and registered with the Bureau of Apprenticeship & Training, United States Department of Labor.

Not Reported Information was not indicated on the Student Information Form.

ODS The Operational Data Store is the College's institution-wide information reporting system within the Banner system.

Other Programs For purposes of this publication, other programs include undeclared students, enrichment students and students seeking a Journeyworker Certificate, an Adult High School diploma, or industry certification.

TPS School of Trades and Professional Services

TSS School of Technology and Student Services

Undeclared A student taking courses who has not formally identified a particular degree, certificate or diploma program.

Unduplicated Enrollment Refers to students enrolled for credit with each student counted only once during the reporting period (e.g. semester, annual, etc.), regardless of when the student enrolled.

AY 2010-2011 Fact Book

Student Learning Outcomes (SLOs)

Student Learning Outcomes describe the central goals that students will have attained by the end of a course or program. In essence, SLOs encapsulate the knowledge, skills, and attitudes that students are expected to learn from their respective programs. They answer the questions “What do students know?” (cognitive domain), “What do they think and value?” (affective domain), and “What can they do?” (behavioral domain). SLOs require students to synthesize many discrete skills or areas of content, and to produce artifacts such as term papers, projects, portfolios, demonstrations, exams or other student work.

Percent of Courses
with SLOs being
Assessed within
Programs

60.35%

Term	Courses with SLOs	Total Number of Courses in Catalog	Percentage of Completion
Spring 2011 Catalog	384	396	96.97
Fall 2010 Catalog	384	396	96.97
Spring 2010 Catalog	250	412	60.68
Fall 2009 Catalog	181	350	51.71
Spring 2009 Catalog	70	375	18.67
Fall 2008 Catalog	68	375	18.13
Spring 2007 Catalog	0	399	0.00
Fall 2006 Catalog	0	399	0.00

As Requirement For Program	SLO Count	Total	Percent
Associate Degree Programs	Number of courses with SLOs being assessed	149	78.01
	Number of courses within the programs	191	
Certificate Programs	Number of courses with SLOs being assessed	26	41.94
	Number of courses within the programs	62	
Not a technical required course for a degree or certificate	Number of courses with SLOs being assessed	64	44.76
	Number of courses within the programs	143	
Total number of courses with SLOs being assessed within programs	Number of courses with SLOs being assessed	239	60.35
Total count of courses within programs	Number of courses within programs	396	

The denominator in calculating the total number of courses with SLOs being assessed within programs is the total number of all courses within programs and excludes all archived courses as of this writing. In previously reported SLO data, the denominator included all courses listed in the College catalog. The total number of courses with SLOs being assessed includes those courses who have participated in an assessment cycle including those that have been assessed in the 2010-2011 academic year.

Guam Community College

Vision

GCC will continue to pioneer labor force development within the Western Pacific, best understanding and meeting the educational, career and technical training needs of the economy. It will be Guam's premier career and technical institution and finest secondary and post secondary basic educational institution serving the island's adult community. Its excellence will continue to be recognized because of its service to employers, employees and the community at large. (Institutional Strategic Master Plan, 2009-2014)

Mission

The mission of Guam Community College is to be a leader in career and technical workforce development by providing the highest quality education and job training in Micronesia.

Sinangan Misi3n

Office of Assessment, Institutional Effectiveness & Research (AIER)

www.guamcc.edu/aier

This report was primarily written by Marlena O.P. Montague, Institutional Researcher, in consultation with Dr. Virginia Tudela, Assistant Director, Office of Assessment, Institutional Effectiveness & Research (AIER). Acknowledgment is also given to the various offices on campus which provided data for this report. Additionally, administrative assistance was provided by AIER staff Vangie Aguon, Priscilla Johns, and Joseph Benavente.

AIER would like to thank the Office of Communications and Promotions for this report's cover design.
