MAN, LAND AND SEA

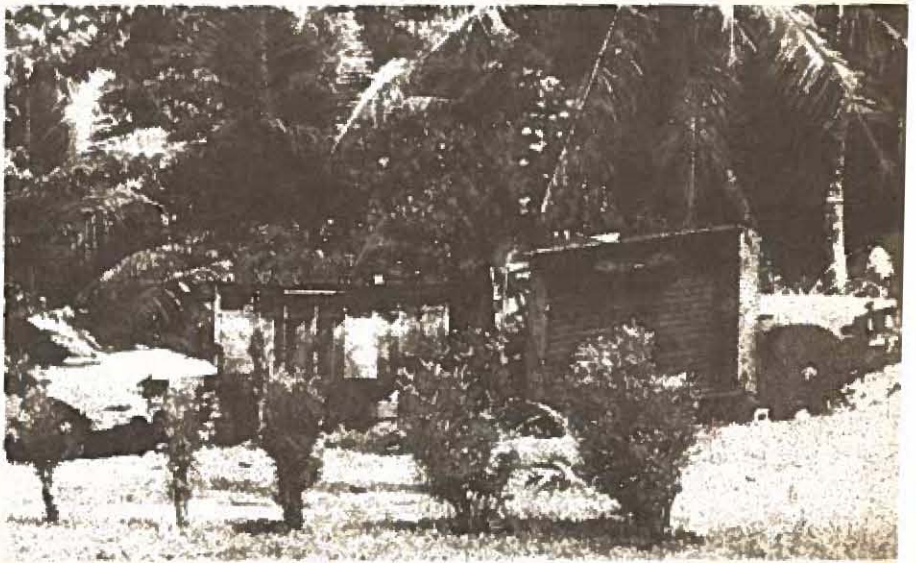

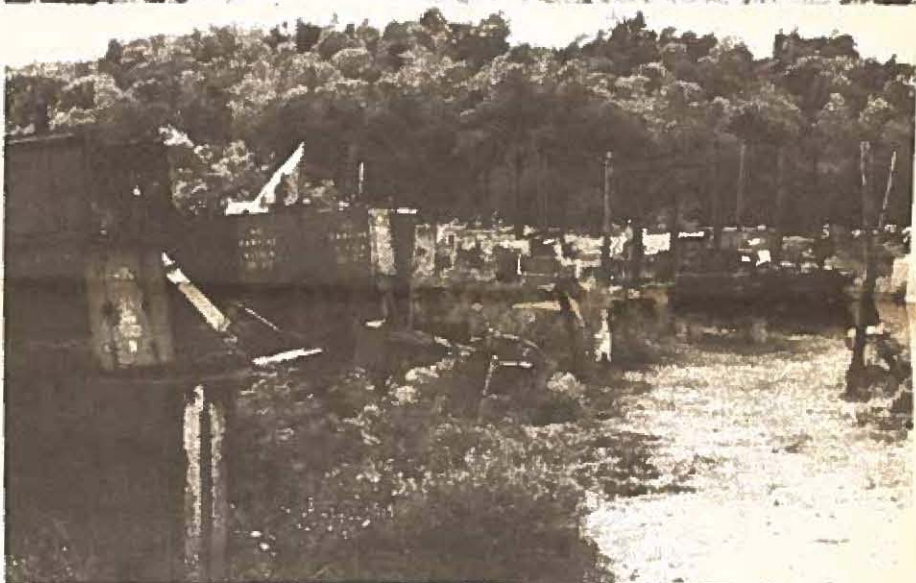

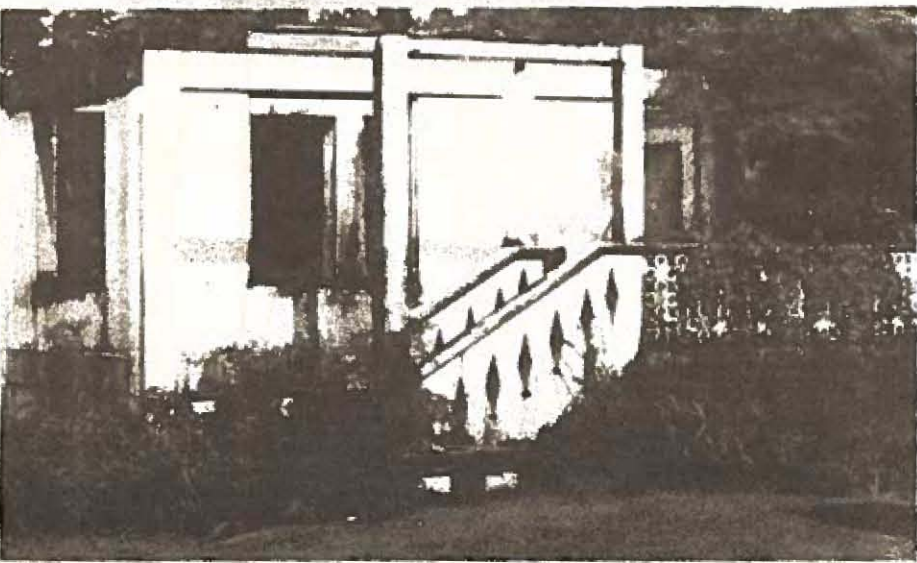

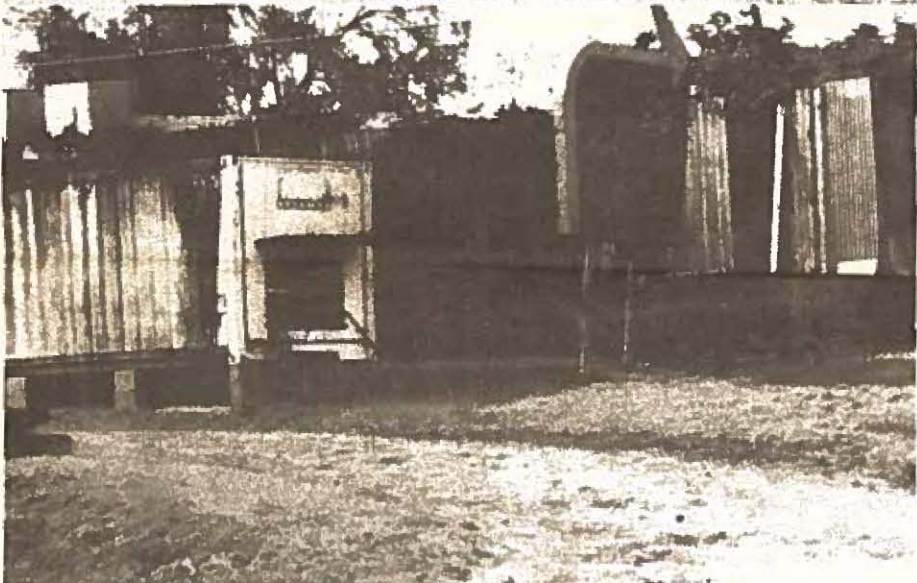

"Our island... or communities and villages are what we make of them... or what we allow them to become!!!"

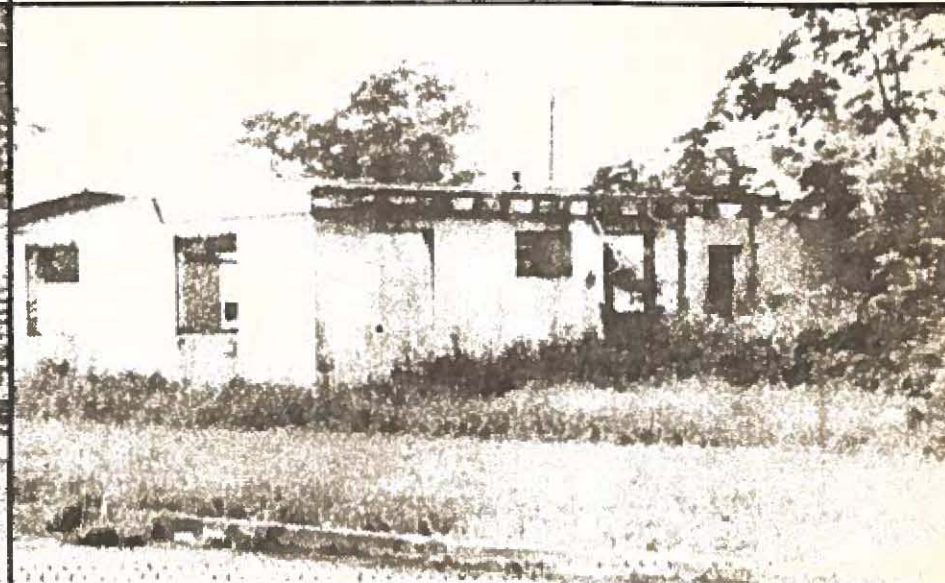

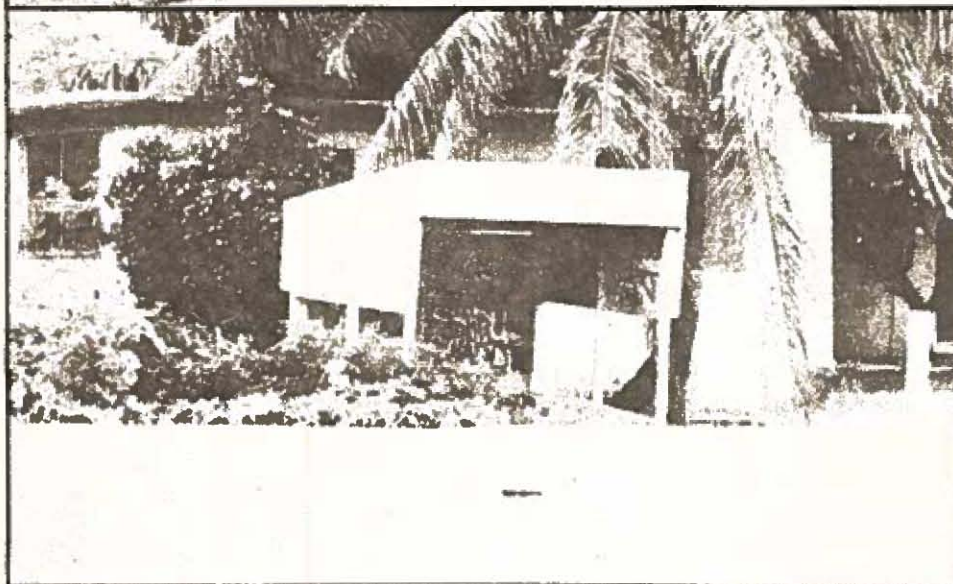

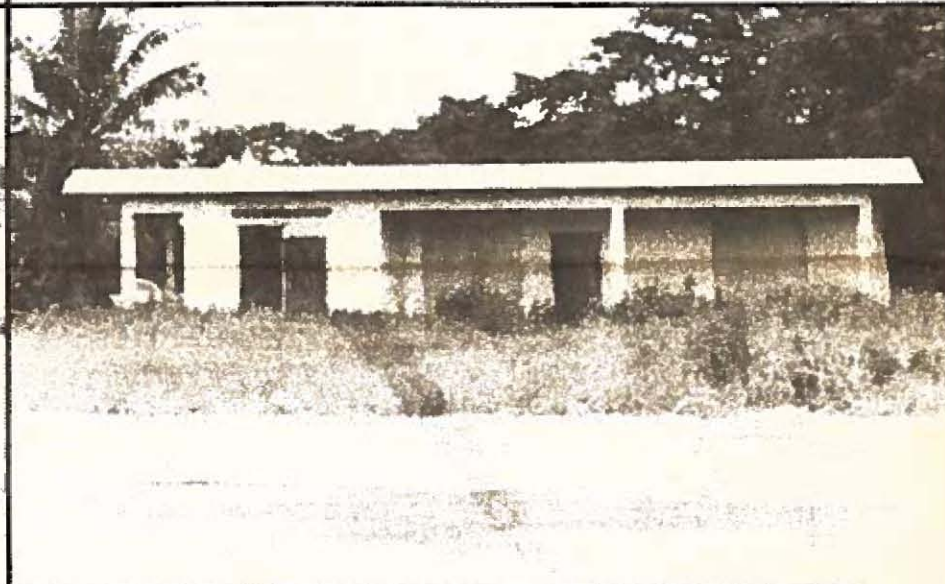

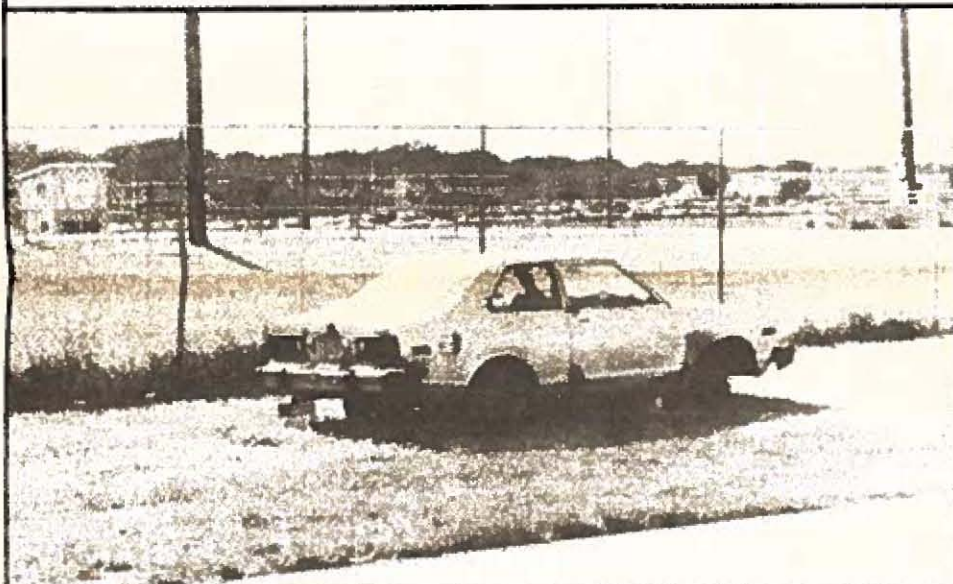

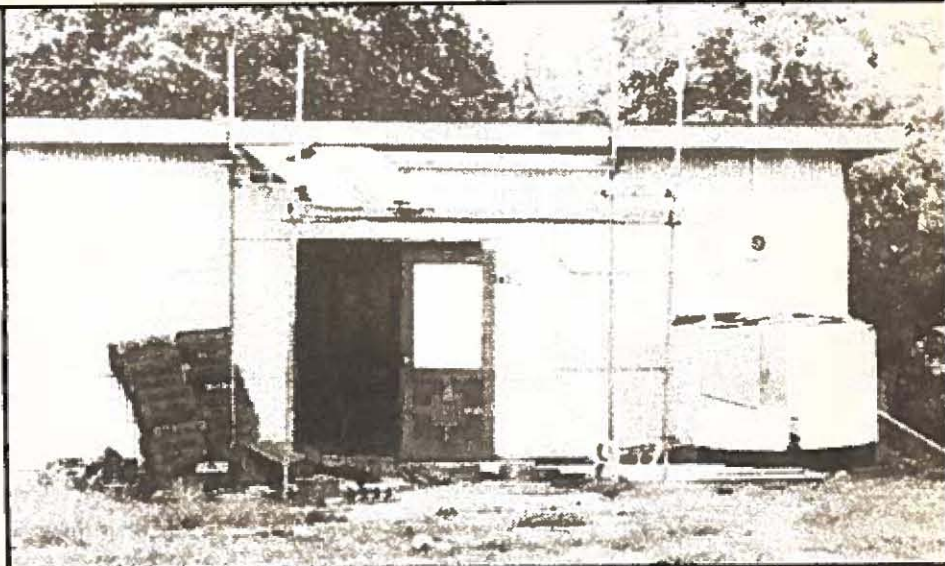

Our island ... our communities and villages are what we make them ... or what we allow them to become!!!

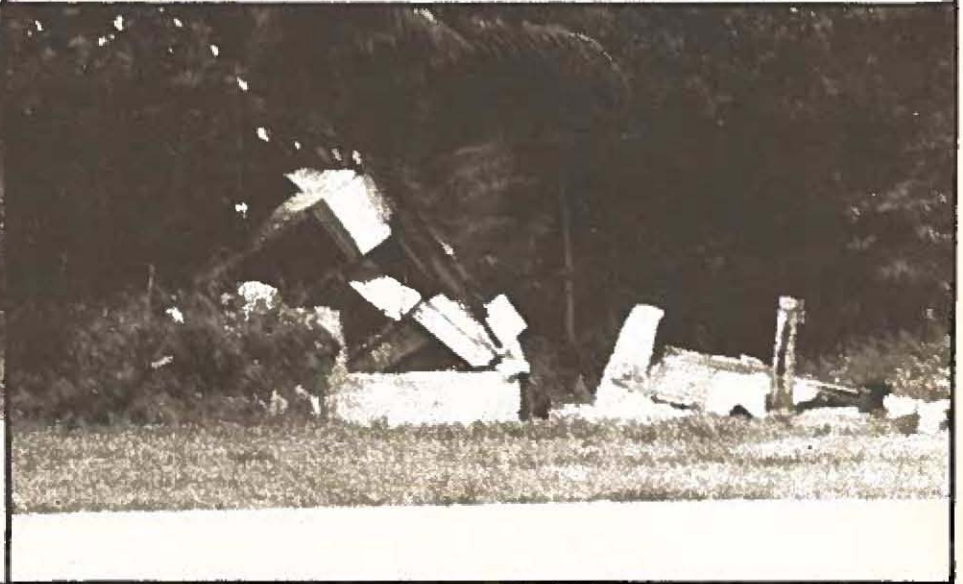

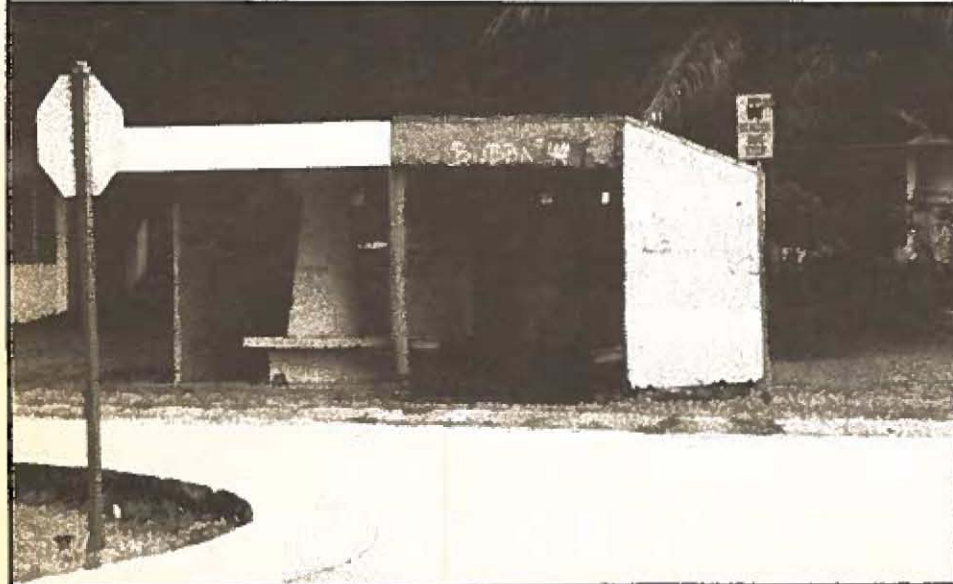

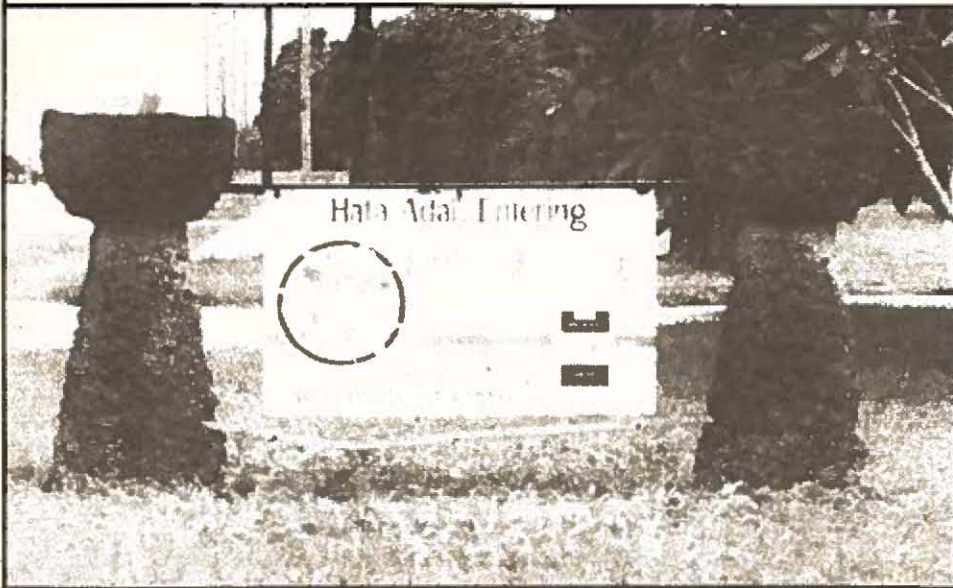

Our island ... our communities and villages are what we make them ... or what we allow them to become!!!

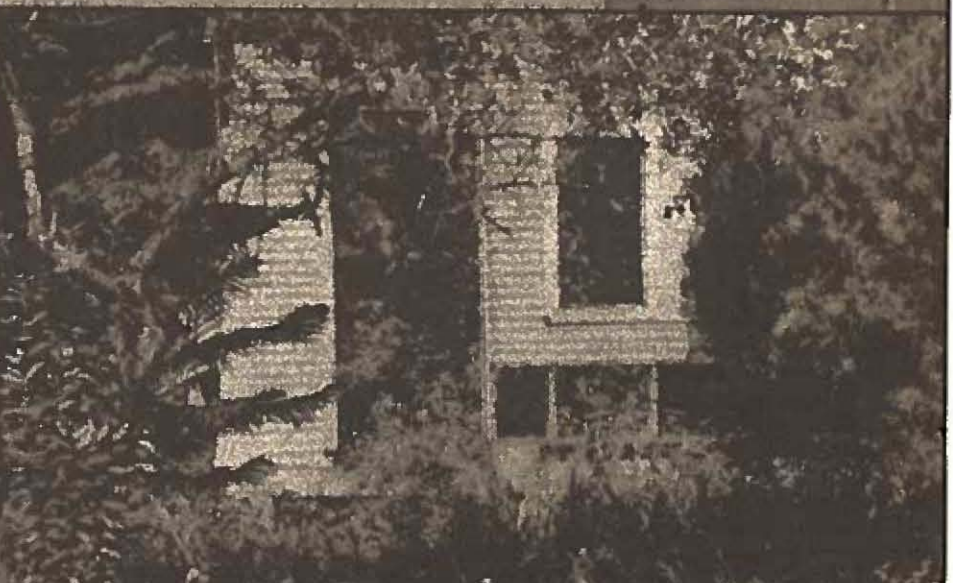

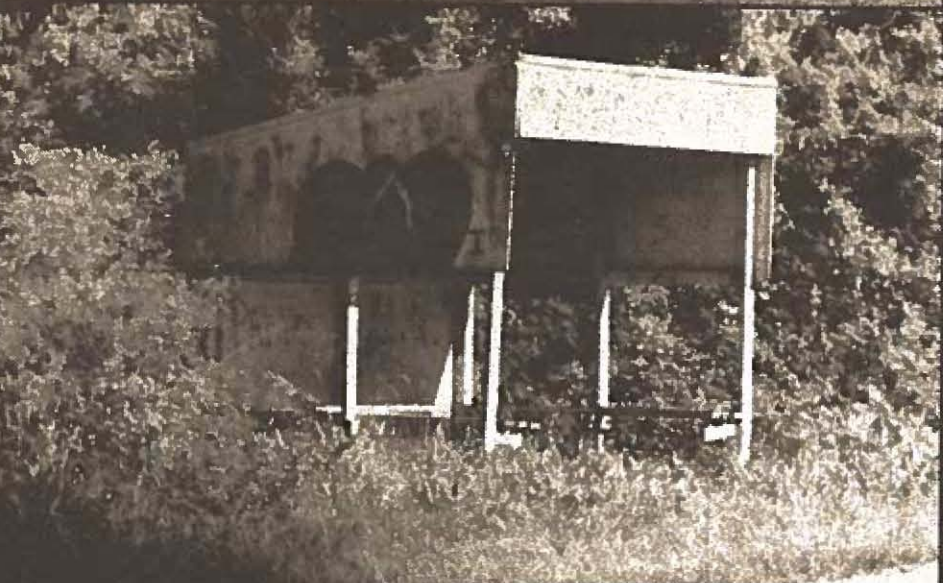

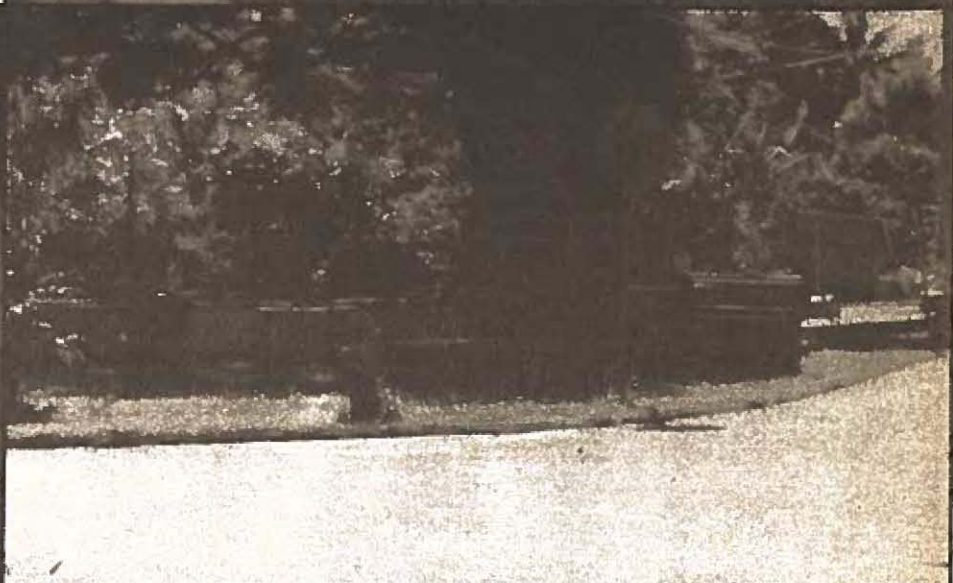

Our island ... our communities and villages are what we make them ... or what we allow them to become!!!

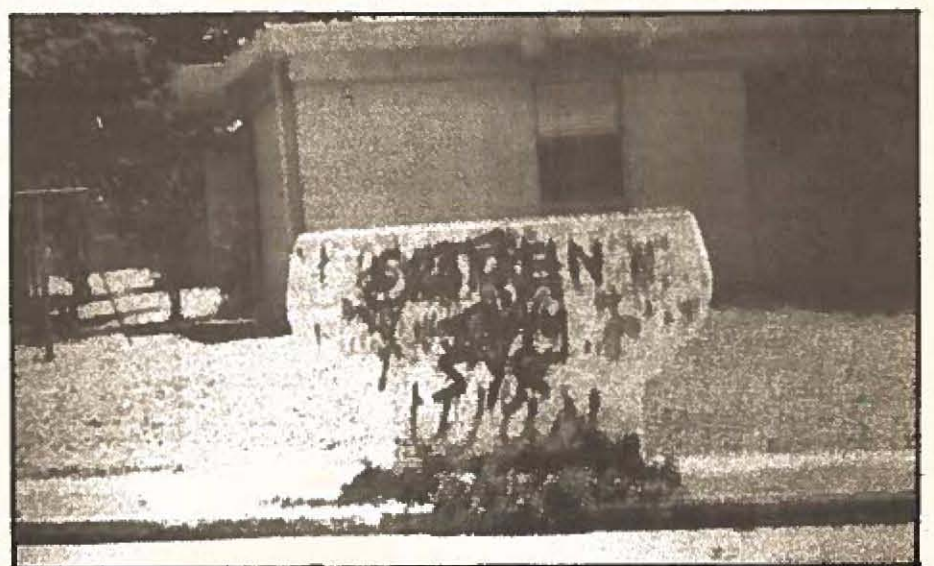

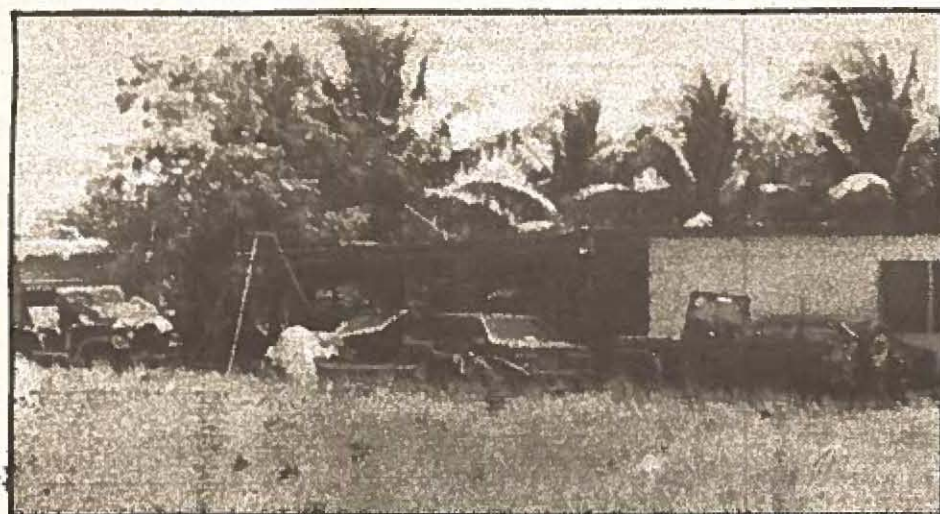

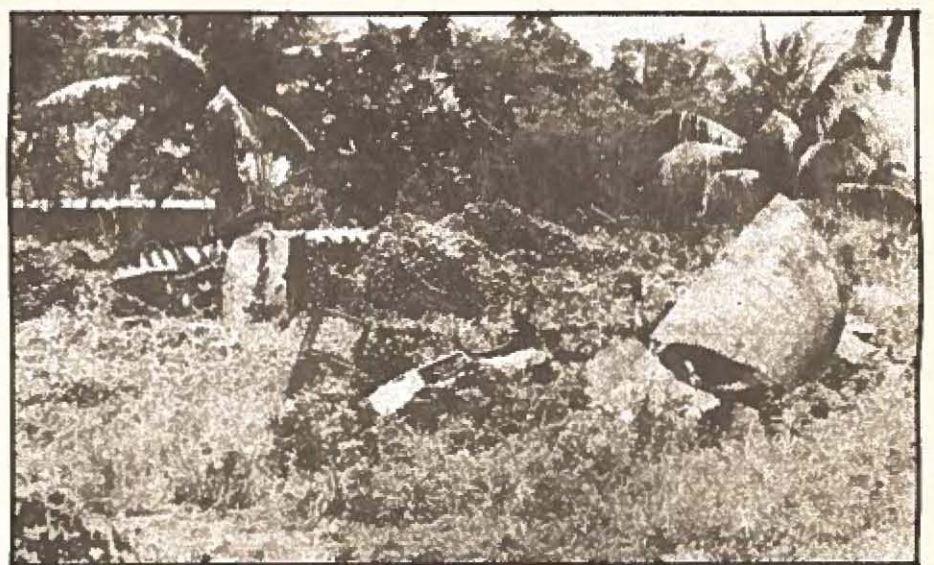

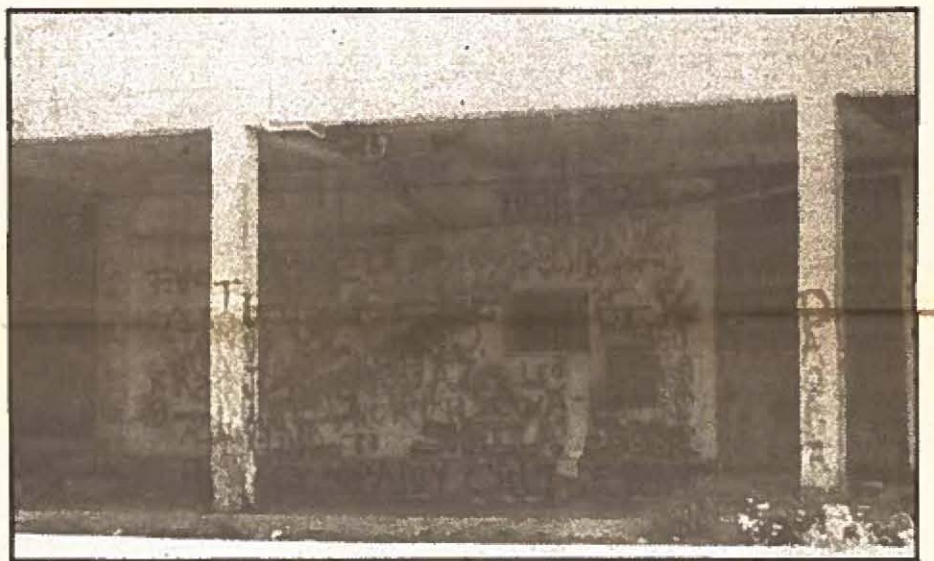

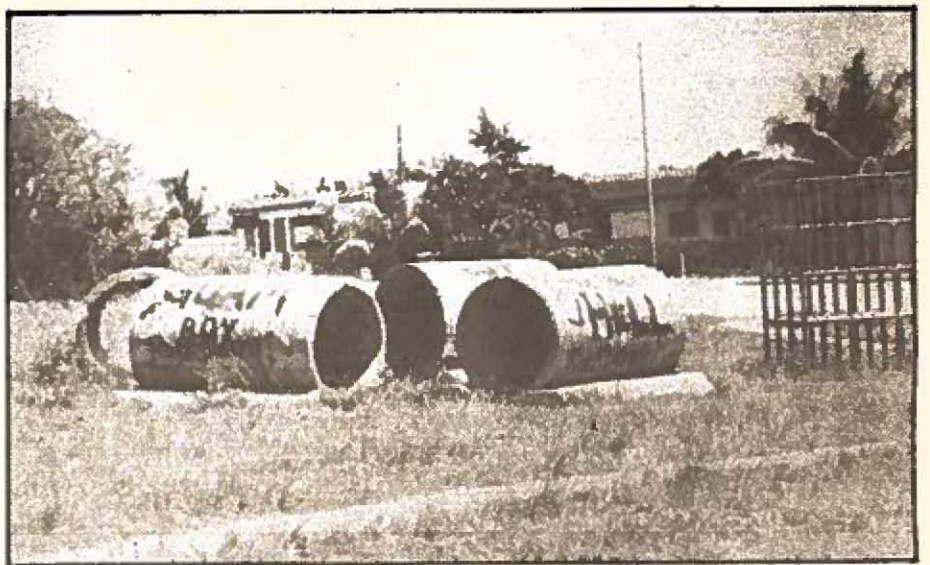

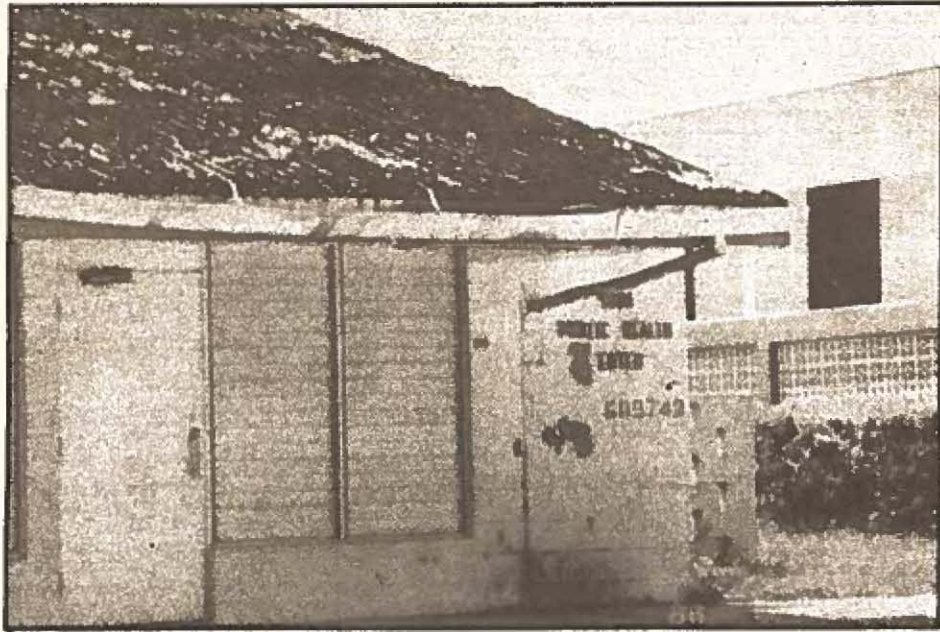

Our island ... our communities and villages are what we make them ... or what we allow them to become!!!

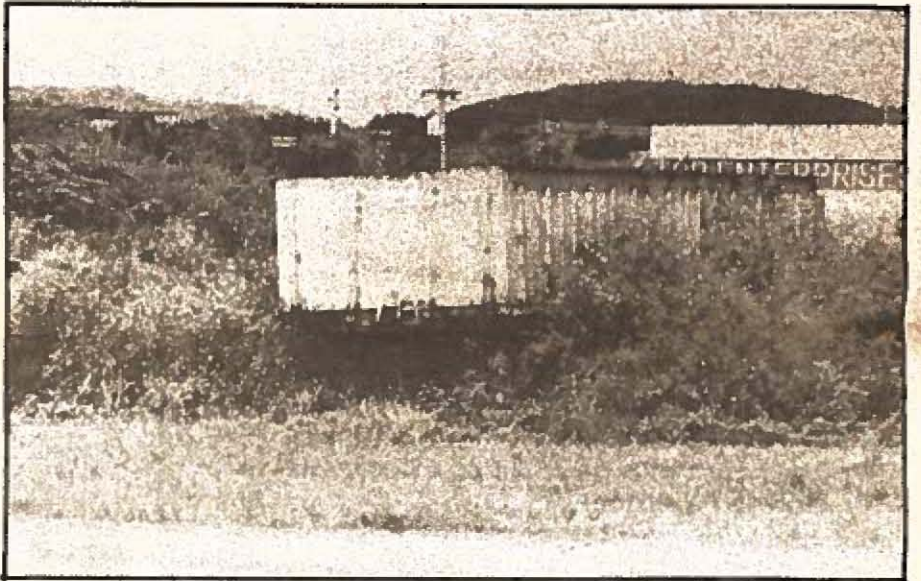

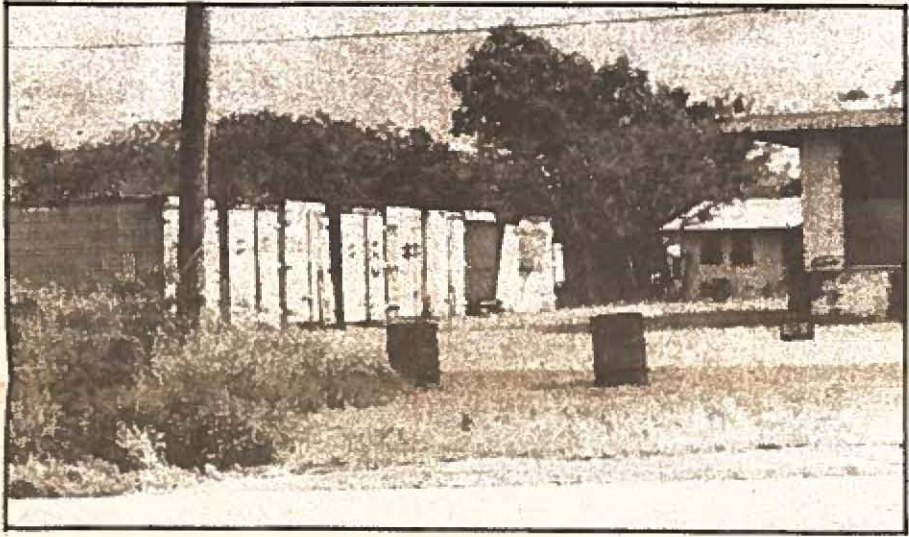

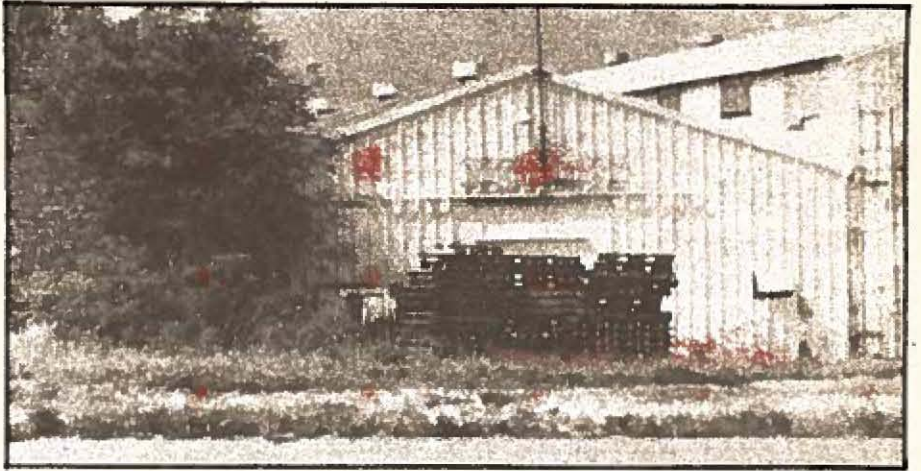

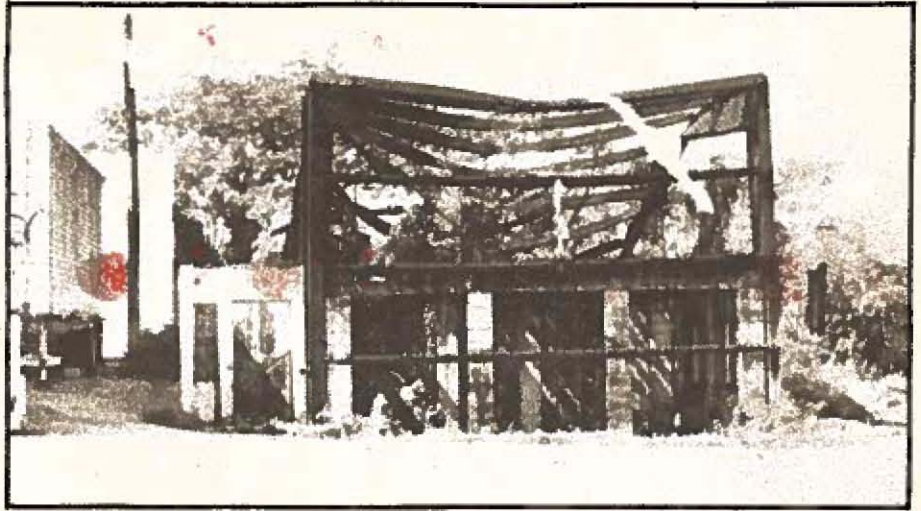

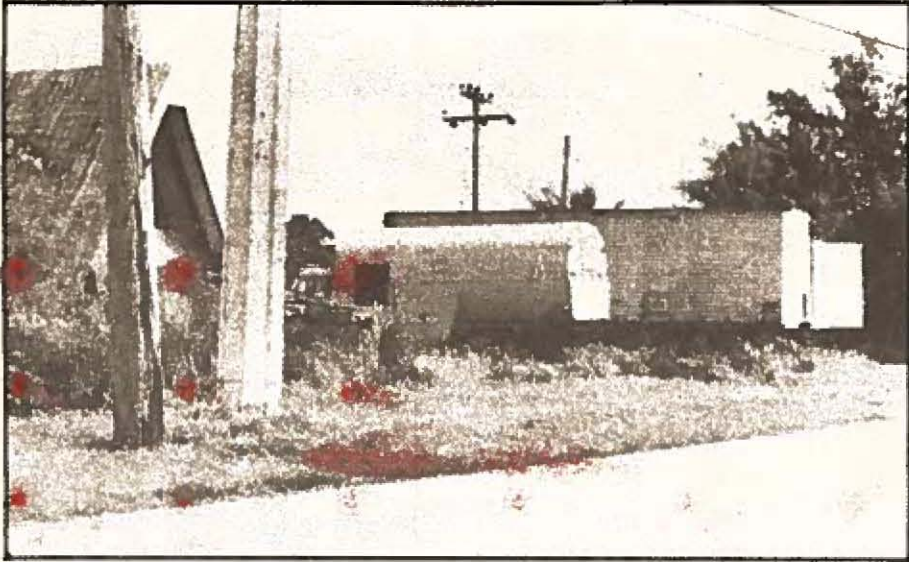

Our island ... our communities and villages are what we make them ... or what we allow them to become!!!

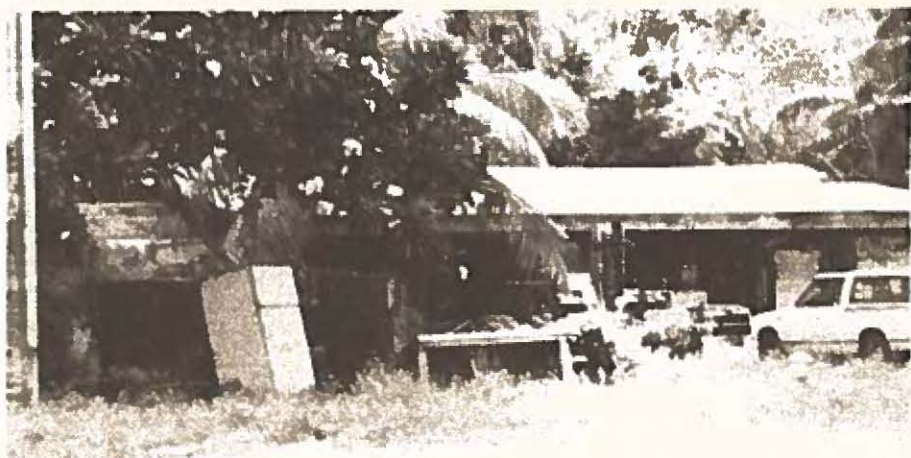

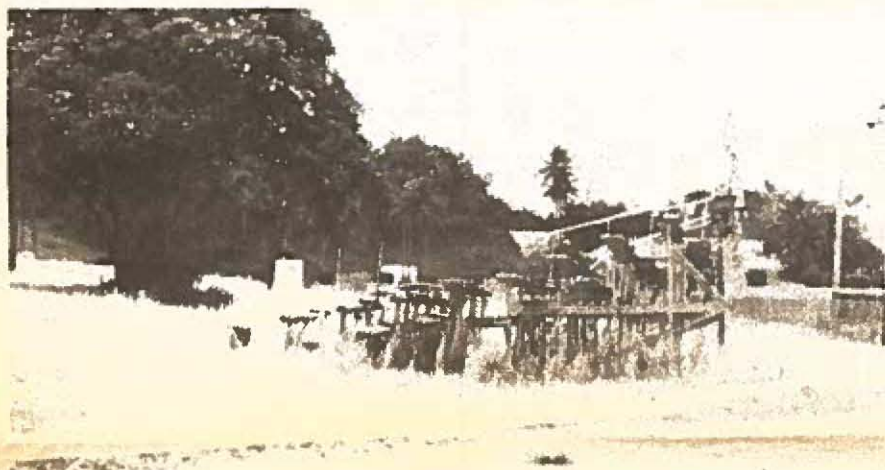

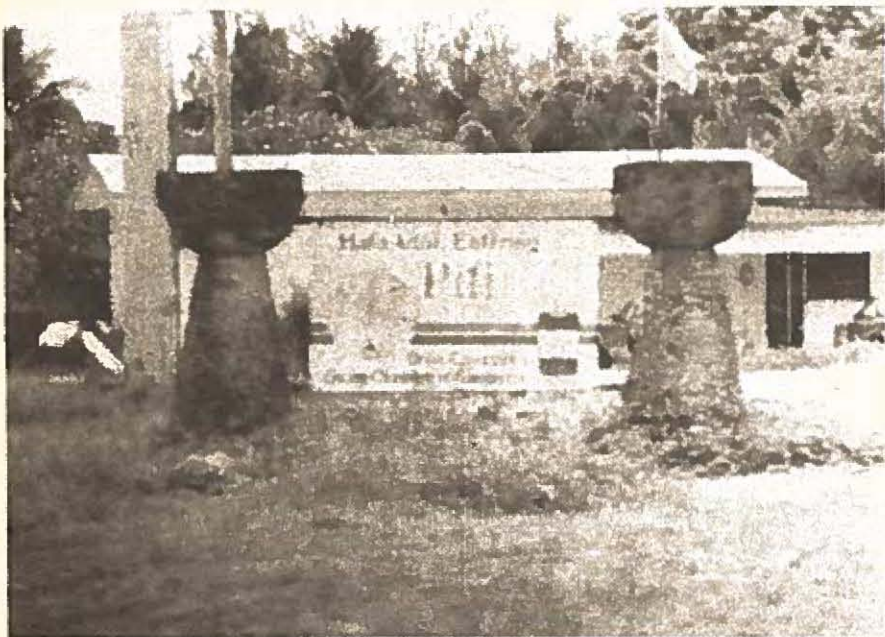

These are but a few of the many health and safety hazard areas of Mongmong-Toto-Maite.
