Dear Ms. Blumerman:

Pursuant to the Memorandum of Understanding between the Government of Guam and the U.S. Census Bureau, the Bureau of Statistics and Plans is pleased to submit Guam's State Data Center Annual Report for Calendar Year 2007. As the Guam State Data Center lead agency, we have coordinated with our affiliates to complete this report which documents the number of requests for census information and technical assistance, census product dissemination, and other State Data Center activities during CY 2007.

We look forward to a continued working relationship and partnership with the U.S. Census Bureau in providing Census Bureau statistical products through the State Data Center Program for Guam's data users for effective research and policy-making decisions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'A. Loerzel'.
