MILITARY

Asia-Pacific Maritime Security Strategy; Department of Defense; 2015. This report outlines the Department of Defense strategy with regard to maritime security in the Asia-Pacific region. It addresses four major initiatives the Defense Department is employing in order to preserve security in the region: 1) strengthening military capacity to deter conflict and coercion and respond decisively when needed; 2) working together with allies and partners in the Northeast Asia to the Indian Ocean to build their capacity to address potential challenges in the waters and across the region; 3) leveraging military diplomacy to build greater transparency, reduce the risk of conflict, and promote shared maritime rules; 4) working to strengthen regional security institutions and encourage development of effective regional security architecture. Available: Bureau of Statistics and Plans Resource Collection
